ANNUAL REPORTS

OF

HINSDALE, N. H.

1992

ANNUAL REPORT
OF
HINSDALE, N. H.

1992

The Hinsdale Selectmen are pleased to dedicate the 1992 Town Report to Eugene E. Gaffey, in honor of his nearly 40 years of service to the town in many capacities.

Shortly after moving to Hinsdale in 1953 Gene became a member of the Fire Department and continued to "heed the alarm" until the mid 1980's. He was a Supervisor of the Checklist for 12 years, at which time he continued to oversee all elections in town as Town Moderator, a position he held for 15 years, and as School Meeting Moderator for 20 years.

In 1969 Gene was elected to the School Board where he served as a member until 1984; for 14 years he was Chairman. He represented Hinsdale on the Supervisory Union School Board as well, also serving as Chairman of that group for ten years.

Gene is probably best known in Hinsdale as Judge Gaffey. He was appointed to that position in 1959 and is one of the last non-lawyer judges in the state. When he retires in 1994 the Hinsdale Municipal Court will close forever and all cases will be heard in Keene District Court. He once said that he has tried "to give people a fair shake with the law, with justice . .

I would like to think that I've shown people that the judicial system does work."

For these many years of service we, on behalf of the Town of Hinsdale, offer our appreciation to The Honorable Eugene E. Gaffey.

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Hinsdale, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Hinsdale, New Hampshire as of December 31, 1991 and for the year then ended. These general purpose financial statements are the responsibility of the Town officials. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by Town officials, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 1, the general purpose financial statements referred to above do not include the financial statements of the General Fixed Asset Account Group which should be included to conform with generally accepted accounting principles. The amount that should be included in the General Fixed Asset Account Group is not known.

As described in Note 1, the Town has recognized tax revenues of \$156,490 in the General Fund and \$475,792 in the Property Tax Agency Fund which were not received in cash within sixty days of year end as is required by generally accepted accounting principles (GASB Interpretation 3). Town officials believe, and we concur, that the application of this accounting principle, which would result in a decrease in the undesignated General Fund balance from \$256,665 to (\$375,617), would give a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the effect on the financial statements of the omission described in the third paragraph, the general purpose financial statements referred to above present fairly in all material respects the financial position of the Town of Hinsdale, New Hampshire as of December 31, 1991 and the results of operations and the cash flows of its proprietary and similar trust fund types for the year then ended, in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Hinsdale, New Hampshire. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

THE HINSDALE PUBLIC LIBRARY ANNUAL REPORT
1992

I am pleased to announce that the Hinsdale Public Library has had another busy and successful year. We are constantly signing up new members and our circulation is increasing on a yearly basis.

We have many people to thank who were so good to us in 1992. It would be impossible to list each name but I wish to thank in general all the people who have donated books, pitched in and helped with the summer reading program, and those who have offered to help us when we find space to hold our book sale. A special thank you to Debbie Whitman who helped me with the excess load of paperwork generated by the summer reading program. Our total enrollment was eighty-four compared with twenty-six from last year. Thank you to Mr. Sicard and the rest of the crew who made it possible for us to hold our ceremony and party in the elementary school cafeteria.

In February we were presented with \$300.00 Golden Eagle Fund - Virginia Turner Memorial grant from Brattleboro, Vt., Auxiliary 2445. The purpose of this grant was for the purchase of larger print books. It was certainly a good cause and was appreciated by all. Thank you Ladies, for all the good work you do.

Mr. Dell Rice donated four books in honor of the memory of his father, Mr. Arthur "Pete" Rice, who was a former resident of Hinsdale and served as selectman from 1958 to 1964.

The First NH Bank also presented us with a \$500.00 check to help update our reference section and also they should be recognized for once again funding the summer reading program statewide.

Judy Smith conducted a story hour in November, and plans on conducting more with the help of volunteers. Watch for future announcements. Thanks Judy!

There seems to be some confusion regarding the policy of overdue books. I'd like to state the policy as it stands until changed:

Books are allowed out for a period of two weeks and are renewable in person or by a phone call. If you do not choose to renew books taken out, there is a fee of five cents per business day.

THE HINSDALE PUBLIC LIBRARY ANNUAL REPORT CONT.
1992

per book. If you need to return books and we are not open there is a book slot on the right hand side of the door. We do not call patrons when their books are overdue, nor do we have the money allotted in our budget for postage that permits us to send reminders. If we do have to send a notice via mail the postage amount will be added on to the overdue amount. If we have to call it means that we have a person waiting for the book(s) and we are trying to be fair to everyone who wishes to read their choice. This is a frustrating matter and will continue to be until everyone cooperates. Thank you in advance and I hope I can report next year that this problem is resolving itself. Simply put, it is the responsibility of the borrower to return the books when due.

Thank you to Mr. Lewis Major for providing us with a student volunteer. It's a great help with all the work our increase in membership has generated, which is a fantastic reason for needing help.

There is a meeting held every second Tuesday of the month at 7 P.M. with the library staff and trustees. The public is welcome to attend.

If you have not signed up as a member please do. We always welcome new faces.

Respectfully submitted.

Frances Hall-Waclawik

REPORT OF HINSDALE'S CONSERVATION COMMISSION

The Commission began the year with a vigorous morning walk over part of the Town Forest. Subsequent forays have taken place with the County Forester and a surveyor. The consensus is that there is marketable timber in this forest, however, it is strongly suggested that selective cutting be the rule and as the property is land locked access will have to be addressed. The Pisgah Park ranger has approached the Commission and would like the property donated to the Park. The Commissioners feel that at this time the town should retain ownership.

The Commission looked at a number of engineering plans this past year. The Shops at Georges Field, a dredge application for the Fiske Hydro, Inc. and an rip rap permit from Greg Felloni to stop erosion on the Ashuelot River bank. We also took part in discussion concerning the sale of a portion of the Fort Hill railway right of way to Col. Lloyd Stearns.

The members of the Commission attended seminars throughout the spring on "Wetland Evaluation", "No game Wildlife" and "UNH: New Hampshire's Knowledge Source."

Plantings were made at Heritage Park, the crimson maple was planted as were three other maples and three douglas firs. The maples and firs were donated by Anne & John Dominick and Sharron & Edwin Smith.

The Police Explorers asked to have a clean-up day at the Boy Scout Park, Brattleboro Rd. This they did in May as a community service project. As well as removing trash and debris they repaired the BBQ and gravelled the driveway.

The Commission solicited planting flowers from area merchants and greenhouses and with the permission of HCIDC planted them in an area between the paper mill and the Post Office.

The Selectmen approached the Commission about looking at the Granite State Mowing Machine Co., site on Canal Street. The Commissioners have designed a look-out park and in the spring the area will become a picnic area with benches to sit and watch the river.

The Connecticut River Protection bill was passed in 1992. Hinsdale is well represented, Anne Dominick is a Commissioner and Gordon Schofield and Sharron Smith will serve on the Local River Subcommittee for our area of the Connecticut River. The subcommittee along with the Commissioners of the Joint River Commission oversee the protection of the river.

Respectfully submitted.

Sharron H. Smith
Secretary

POLICE DEPARTMENT ANNUAL REPORT

I would like to say thank you to the citizens of Hinsdale for their warm support and welcome since my being appointed Police Chief in October of 1992. My first few months have been both a challenge and a pleasurable experience. It is always a big change for the town whenever a new Chief is hired.

There have been many changes within the Police Department since October. These changes have made and will continue to make a difference in the flow of day to day work in the Department.

We will strive to make Hinsdale a safe place to live, work and raise our children.

I would like to thank the Board of Selectmen for making me their choice as Police Chief.

Respectfully submitted,

David M. Whittle
Chief of Police
